As from December 2024, the Danish Maritime Authority has started to issue electronic certificates for seafarers.

The electronic certificates can be verified via the QR-code or online by visiting verify.dma.dk and entering the unique certificate number in the online verification system.

The issuance of electronic certificates is in accordance with all necessary features outlined in the MSC.540 (107) (2023 AMENDMENTS TO THE INTERNATIONAL CONVENTION ON STANDARDS OF TRAINING, CERTIFICATION AND WATCHKEEPING FOR SEAFARERS (STCW), 1978), and MSC.541 (107) (2023 AMENDMENTS TO PART A OF THE SEAFARERS' TRAINING, CERTIFICATION AND WATCHKEEPING (STCW) CODE).

On this basis, the Danish Maritime Authority hereby confirms, that seafarers holding electronic certificates issued after the beginning of December 2024, can serve onboard within the capacities and limitations stated on their electronic certificates.
